

**Bruce Wood**  
**Marshfield, Prince Edward Island**

**Nominated as ATLANTIC BREEDER DIRECTOR**

Bruce Wood is owner and operator of a 90-cow dairy farm and a standardbred broodmare farm for over 30 years and 11 years, respectively. The focus at East River Farms Inc and Woodmere Standardbreds Inc is the breeding of high-quality animals and marketing of their genetics.

Mr. Wood was a Breeder Director of Standardbred Canada in 2021 and 2022 and has served on the Breeders Committee, Audit Committee, and Strategic Planning and Process Committee.

Mr. Wood is actively involved in the industry and holds leadership roles as founding chair of PEI Standardbred Breeders Association, chairman of the PEISBA Breeder's Conference, board member with PEI Harness Racing Industry Association, director with Maritime Breeders Association, and is a member of the PEIHRIA Stakes and Atlantic Classic Sale committees.

As a nominee for the Atlantic Breeder Director, Mr. Wood looks to continue to advocate for initiatives that are strengthening to the breeding sector in Atlantic Canada while working with the board of directors of SC to operate a fiscally responsible organization.
