R3-Inquiry #5 Day (2nd) made a break after the start No violations. Also spoke to Emma Christoforou about #5 who was programed with hopples but paraded without them. The horse had qualified at Mohawk but was incorrectly marked as having hopples on, they felt that they didn't have to declare an equipment change when it had already qualified without hopples. We explained the new rule requirements and potential repercussions for failure to declare hopple changes. We announced the change.
