

Darren Crowe
Lower Onslow, NS

Nominated as ATLANTIC ACTIVE DIRECTOR

Darren was born and raised in Central Onslow, Nova Scotia, where he grew up involved in agriculture. Through family friends, he was introduced to harness racing as a child, and has had a passion for the industry ever since. He was lucky enough to be mentored by Dave and Phil Pinkney where he learned a lot about hard work and dedication, among other things. He is always making time for the young people around the track to assist them in any way he can, as he wouldn't be where he is today without the support he had received; and he recognizes that the youth are the future of the industry. Darren has worked, trained, and driven at tracks throughout Canada, and has had a successful stable based out of Truro for the past 20 years. He has been a member of the Truro Harness Horse Owners Association Executive for the past 10 years, and has also been called upon to provide input on rules and regulations the Maritime Provinces Harness Racing numerous times. He is determined to help in any way he can to bring harness racing in the Atlantic back to the vibrant, sustainable industry it once was to ensure a prosperous future for the industry and all involved.
