

Ed James
Aurora, ON

Nominated as ONTARIO ACTIVE DIRECTOR

Standardbred owner since 1956 (still trying to get even). Had fun, still am. I've had some good horses over the years, Hyperion Hanover, Cam in Black, Dude's Leaving Town, Indiana Hall.

Highlight so far was three of my horses, Armo Aviator, Rusty's Gold and Talon Seelster finishing 1-2-3 in the Western Canada Pacing Derby for \$119,000 earnings. No surprise, they all finished first the previous week in the two elimination races (figure it out) proving it's great to work with good trainers.

Work Record

20 years for Canadian appliance company, quitting as Canadian Sales Manager.

20 years for an international writing products company retiring as Executive Vice President of Operations in England, Mexico, United States and Canada (They never caught on)

After 2 years of retirement I started SSG Equestrian Gloves for something to do.

Interested in getting involved in an association which may wind up bankrupt if the various provincial governments accomplish what they appear to want to do.
