

Louis Liebenau
Thornhill, ON

Nominated as ONTARIO ACTIVE DIRECTOR

I have been a horse owner and breeder for over 40 years and a long time partner of Roger Mayotte.

In the past:

- I have been the First Vice President of OHHA
- I spent 2 years on the OHRIA committee negotiating the revenue split for the Slots at Racetrack Program
- I was instrumental in making the transfer of money from the slots to the OSS purses a reality
- I was the last President of the well intended SHOP--Standardbred Horse Owners Panel
- I served on several other working groups and committees.

BUT THIS ELECTION SHOULD NOT BE ABOUT THE PAST OR THE PRESENT

The future of Standardbred Racing in Ontario is hanging in the balance and the status quo is not good enough.

The same old board with the same old directors is not what the membership needs. Standardbred Canada needs new thinking and directors that are prepared to make the changes needed to steer the industry in a positive direction and a bright future.

I am asking you for your vote so that I can be part of the new team that will make Standardbred Canada the leader that it needs to be to solidify the future of Harness racing in Ontario.
