ACCLAIMED - WESTERN ACTIVE DIRECTOR

I have recently been hired by Harness Racing BC in the role of Executive Director. Before I would let my name go forward I received full assurance that I would be allowed the time that will be needed to be a Standardbred Canada Director. As everyone knows this will be the first election that the SC Board will be significantly reduced and each Director is going to have to be greatly engaged in such trying times, I HOPE TO BE ONE OF THEM!!!

Experience:

Ownership of horses for over 30 years

38 years in the racing industry

25 years Racing Secretary Stampede Park, Calgary

2 years Racing secretary, Evergreen Park, Grande Prairie

3.5 years Director of Racing, Fraser Downs, Cloverdale

9 years Director of Standardbred Canada (including 5 years on the Executive Committee and 3 years as Chair of the Board ending in 2011).
